STORE-MAX 8" Shelf Bins

Our new 8" high bins offer 95% more storage capacity when compared to the standard 4" high bins and 65% more than the 6" high bins. The new STORE-MAX 8"H Bins will truly maximize and organize your space. Manufactured from high density polypropylene, STORE-MAX 8"H Shelf Bins are the industry standard for quality. These bins feature a molded-in label holder, built-in rear hang-lock which allows bins to tilt out for complete access when on shelving. A wide hopper front allows complete access to the contents of the bin. Edges are reinforced for added strength. They are designed for 12", 18" and 24" deep shelf units, racks or standard shelving. Optional dividers are a perfect accessory to subdivide and keep parts separated as needed. Available in 4 colors. See **pg. 30** to order Clear Bins.
