Maximize your storage space with durable, high density tri-clear virgin-grade polypropylene bins. Quantum's STORE-MORE 6" Shelf Bins are the industry standard for quality. These bins feature a molded-in label holder, built-in rear hang-lock which allows bins to tilt out for complete access when on shelving. A wide hopper front allows complete access to the contents of the bin. Edges are reinforced for added strength. They are designed for 12", 18" and 24" deep shelf units, racks or standard shelving. Optional dividers are a perfect solution to create a par level system. Bins are waterproof and corrosion-free. Dividers, bin cups and label holders available on [pg. 53](#).
