

#### How to Assemble

Read all instructions prior to assembly.

1. Bolt feet to sides and tighten.
2. Loosely bolt one top shelf to two pick rack sides. Sides should be on outside of shelf.
3. Loosely bolt eight interior shelves into place. Front lip of shelves should be up.
4. Repeat steps 1, 2, and 3 for other unit.
5. Bolt a pair of sway braces together at the center to form an "X". Set the units back-to-back and attach the sway brace and the two units with four nuts and bolts.
6. Level unit and tighten sway brace.
7. Tighten all remaining nuts and bolts.
