POST BASKETS & MOBILE UNITS

Post Baskets

new

Quantum's new post baskets are manufactured of industrial grade chrome wire offering a 5/8" x 5/8" mesh design on the bottom/flat surface. Super heavy-duty design affords a generous 600-800 lb. load capacity* evenly distributed. Unique design allows baskets to be used WITHOUT needing any flat shelves to stabilize overall unit. Drop front and sloped sides provide super easy access while providing a captive space for stored items. Baskets are all adjustable on 1" increments utilizing standard 1" diameter posts. **Finish:** Chrome
